PROFESSIONAL EXPERIENCE

Customer Success Advocate, *AcuiZen Technologies* Mar '26 – Present

- Serve as the primary client-facing contact between clients and the development team, running client engagement calls to diagnose platform issues and redesign workflows; led a full redesign of platform's notification system and email communications after feedback from users
- Built self-service documentation and a central knowledge base of platform's module guides (eg. Risk Assessments, ePTW, Audits), reducing the need of one-to-one support for new clients by 15 man-hours monthly.

Community Operations Advisor, *London Borough of Tower Hamlets* Apr '24 – Feb '26

- Designed and led "Get Online", a borough-wide digital inclusion programme in council libraries, providing connectivity and weekly digital literacy training to underserved residents, growing participation by 200% in 18 months.
- Represented the council at a women's rights fair, building relationships with local charities that opened informal referral pathways with council libraries; co-founded a community group as part of this outreach to support a borough-wide GBV campaign.
- Facilitated and launched an 8-week pilot of an accessible book club for adults with learning disabilities with Books Beyond Words and Tower Project; authored an evaluation report for senior leadership detailing project outcomes and recommendations for replicating the model at other sites.

Knowledge Management Freelancer, *AcuiZen Technologies* Apr '20 – May '23

- Onboarded 2,000+ nurses for a hospital chain client during Covid-19's hiring surge, building bite-sized digital training modules that replaced multi-day in-person inductions and cut costs by 40%.
- Ran weekly remote stakeholder meetings with hospital leadership to surface frontline training gaps; delivered 3+ workshops to medical practitioners on digital adoption and content curation best practices.
- Translated client needs into product requirements, working cross-functionally with clients and engineering teams to introduce a whiteboard-based learning feature to expand the platform's synchronous teaching tools.

Policy, Partnerships and Advocacy Analyst, *Impact Investment Exchange* Oct '21 – Jan '22

- Led stakeholder communications for the launch of the US$30 million Women's Livelihood Bond™ 4 Climate, producing press releases, newsletters, videos, social media content and reusable campaign assets.
- Drove marketing and promotion for the IIX Institute's 'Defiant Optimist' speaker series and sustainable finance academy, using Salesforce CRM to convert 200+ investors and development professionals into participants

EDUCATION

London School of Economics and Political Science, United Kingdom 2022 – 2023

MSc: International Social and Public Policy (Merit)

- Applied mixed-method quantitative and qualitative research to produce evidence-based policy recommendations on social welfare and economic inequality.

Leiden University College, The Netherlands 2018 – 2021

BSc: Governance, Economics and Development (Honours)

- Co-founded the first European chapter of the liberal think tank, The Roosevelt Institute and co-authored a publication featuring comparative analysis of COVID-19 lockdown measures across three countries.
- Executed a consultancy style project for a Nigerian capacity building NGO (dRPC), producing a training toolkit and development programme to identify and cultivate grassroot health innovators in the public sector.

VOLUNTEERING AND LEADERSHIP

Trustee, *Shadwell Community Project* Nov '24 – Jul '26

- Served as Trustee for a children's charity, overseeing governance and setting strategic direction; rewrote key organisational policies around Safeguarding and contributed to stakeholder workshops shaping our five-year strategy.

Sustainability Advisory Team, *ING Bank* Feb '21 – May '21

- Designed and executed an in-app sustainability campaign targeting 500,000+ microbusinesses across Benelux; reviewed KPIs and presented recommendations for ING's wider sustainability strategy to 30+ senior stakeholders.
